

Boil Water Rescind Notice

On June 13, 2017 the Texas Commission on Environmental Quality (TCEQ) required our public water system, City of Throckmorton, PWS ID 2240001 to issue a Boil Water Notice (BWN) to inform our customers that due to the presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of June 14, 2017.

If you have questions, contact Mayor Will Carroll at 940-862-3107 or Jimmy Collins at 940-862-3109.

If a customer wishes to reach TCEQ, they may call 512-239-4691.
