

July 10, 2007

The City of Throckmorton hereby amends all previous city service and equipment rental fees and rules. And will be as follows:

The city shredder can be used to mow (clean lots), at \$50.00 per hour with a two-hour minimum. The public works director shall inspect said lots before mowing commences. Only city employees shall use said equipment.

The city backhoe may be rented on a limited basis to be determined by the Mayor or Public Works Director. The fee for backhoe and operator shall be \$65.00 per hour with a two-hour minimum.

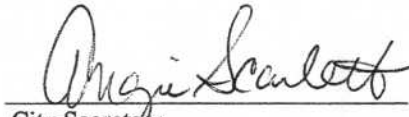

The city air compressor (including hammer) can be rented for \$85.00 a day or \$20.00 per hour.

All rentals are subject to approval and only city employees shall operate backhoe and shredder.

All jobs will be at the discretion of Public Works Director, Casey Chambers and may be prorated based on the length of the job and the individual ability to pay.

Mayor

City Secretary
